

## President Report:

It's been a crazy year for sure & a tough one for so many however with all the twists & turns of 2021 we still have a lot of positive things that have happened in the last 12mths @ club.

March trial was such a success it had such a buzz about it, it was so good to be back with record numbers in novice with over 80 AD entries, we had great courses and a positive vibe. It was Sarah Trembath's first time as Trial sec and I'm sure we can all agree she nailed it along with all the help from committee.

We started back training classes in February, April & May & tried with June with limited success however we didn't let it stop us.

July, we ran indoor workshop of "Tricks" & "Young Hopeful" while we only got 1 week of young hopefuls, we were able to continue tricks over Zoom, training in our lounge rooms with Sarah guiding us and Nikki helping with feedback. For those who participated, I'm sure like me you were training and heard Sarah or Nikki give feedback, so you gave yourself a quick check to find you were doing the same incorrect thing 😊. Group training just has its own benefits you just can't get anywhere else, so it was great to be able to train together again.

Then Sarah moved our training to the fb group where we could upload videos and stay inspired ask questions and get the most of our trick's training with the help of feedback from Nikki too.

Huge thanks to Sarah for running this for our club it was so well run, and everyone got so much out of it and to Nikki for helping with feedback. It sure ignited our spark with dog training especially seeing our dog's shine with happiness to be learning and having fun with us.

K9 are looking at running out first ever tricks trial in 2022 so stay tuned.

We welcomed 4 new super mini K9 Members in 2021

Kirst welcoming her second baby Scarlett 24<sup>th</sup> Feb

Triona welcoming Patrick on 6<sup>th</sup> May

Stephy welcoming Paige on 2<sup>nd</sup> Nov

Amanda welcoming Noah on 12<sup>th</sup> Nov

We wish our mum's and family's luck and enjoy every moment.

K9 Agility Club sponsored Top Dog Agility 2021 we have been supporting Top Dog for 10years and always done with such pride: Our members did us proud out there having a ball and showing what the sport is all about- Team work, skills but most of all just having fun with their dogs and showing amazing sportsmanship, congratulating their fellow competitors.

Well done to all the members who made **Top Dog 2021**

Greg & Rum making both Agility & Jumping

Katie & Mr Plug making both Agility & Jumping

Trish & Trigger making both Agility & Jumping

Martha & Chloe making Agility

Alois & Chloe making Jumping

Rosaline & Izzy making Jumping

Tegan & Pip making Agility

Lisa & Jackson making Jumping

Special Congratulations to the

**Top Dog Winners-**

Trish & Trigger 600 Agility

Rosaline & Izzy 500 Jumping

**State Champion winners 2020-** this is from memory at presentations as the results have not been published and I was tired, so I hope I didn't miss anyone:

200 Carole D & Polly

500 Greg & Rum

600 Trish & Trigger

**State Champion winner 2021**

600 Trish and Trigger

Congratulations to **Agility Champions** this year

Penny Roberts & Izzy 500 in May 2021

Tegan & Pippin 300 @ State trial

Since we did not run a trial in November as scheduled and good call by us with the weather that weekend produced. We decided to jump in a run a Twilight trial in January 2022, this is a super exciting venture as we are getting international judges Dave Munnings & Neil Ellis to design the courses and mentor both Megan & Geoff in courses design and ideas to inspire.

This trial is also a trial to help raise money to purchase a much needed state of the art defibrillator machine that along with a new first aid kit to stay on our trailer. Committee are also looking into some training for this too in the coming year.

Sadly, Cassie is stepping down as treasurer & committee after 2yrs she has been AMAZING, she has set up everyone online she has arranged and does all our refunds each month which is a massive task. She will be missed but will be there front and centre to help the transition. Thanks to the committee this year while classes have not run as normal our committee is still super active behind the scenes, with planning online learning, helping upgrade things, working on new ideas and plans.

A special Thanks and shout to Sue & Darren Brimacombe for their ongoing towing each year and to all who helped tow in 2021 this is the biggest challenge at club at times.

*As you can see 2021 still did bring us some exciting and fun times & 2022 is looking super positive*
